

Project Report Template

INTRODUCTION

1.1 Overview

A brief description about your project

An invitation is a written or verbal request inviting someone to go somewhere or to do something. An invitation is a request, a solicitation, or an attempt to get another person to join you at a specific event

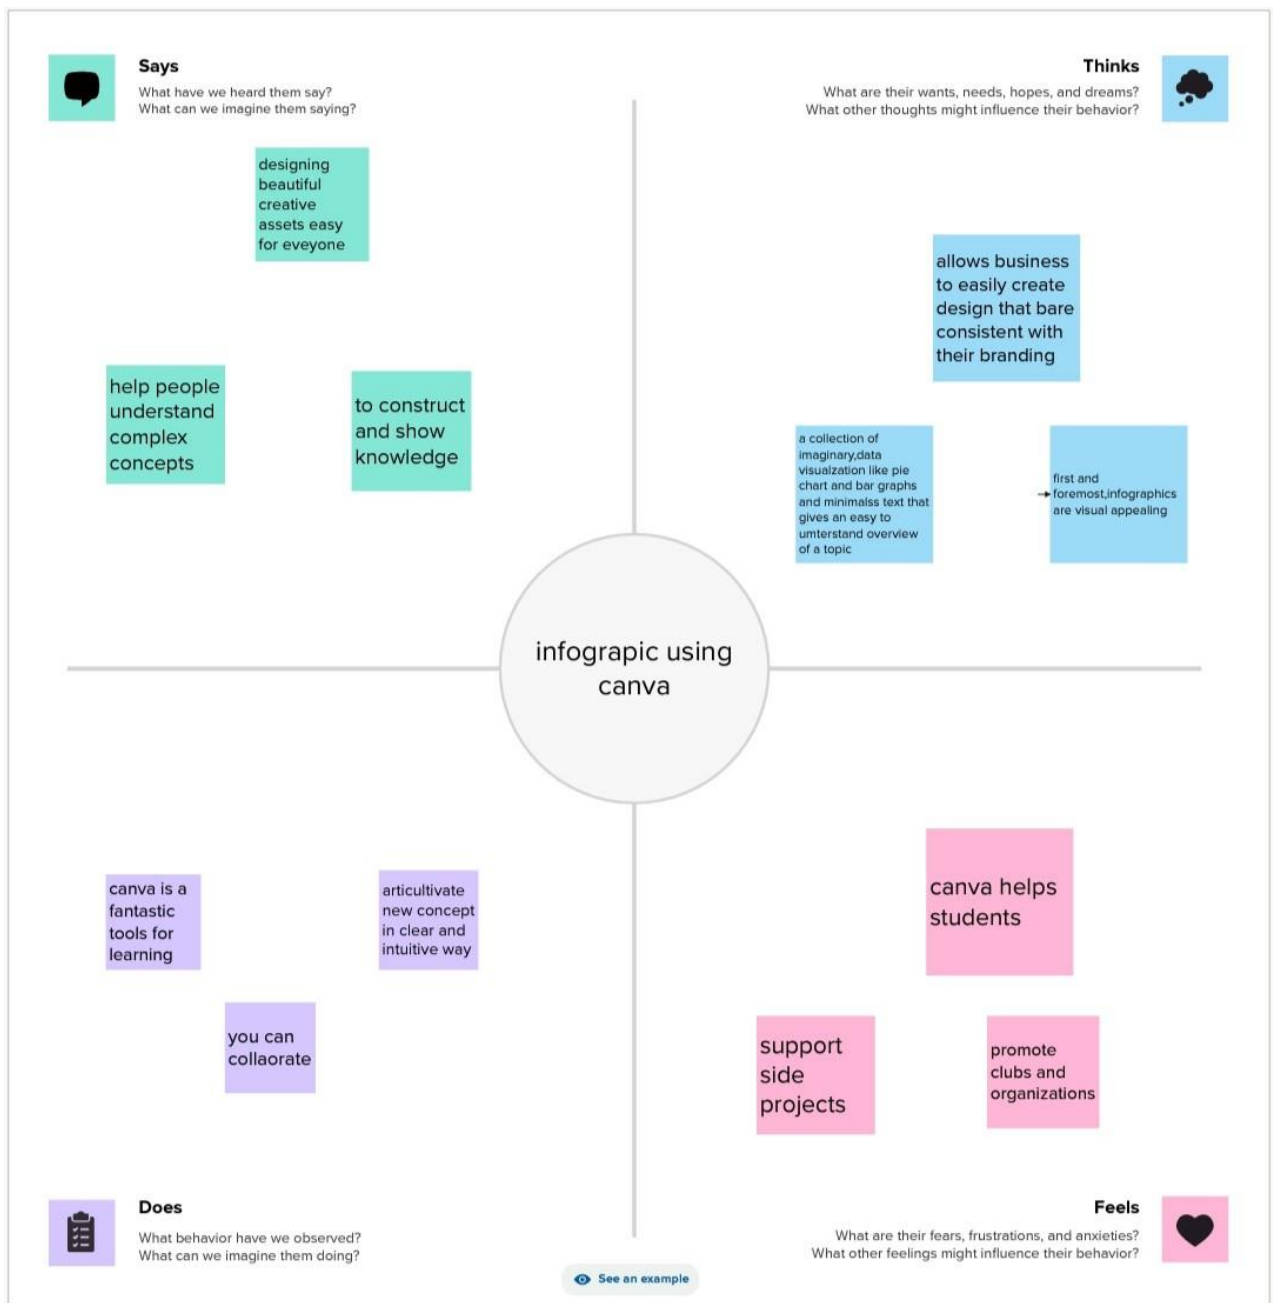

1.2 Purpose

The use of this project. What can be achieved using this.

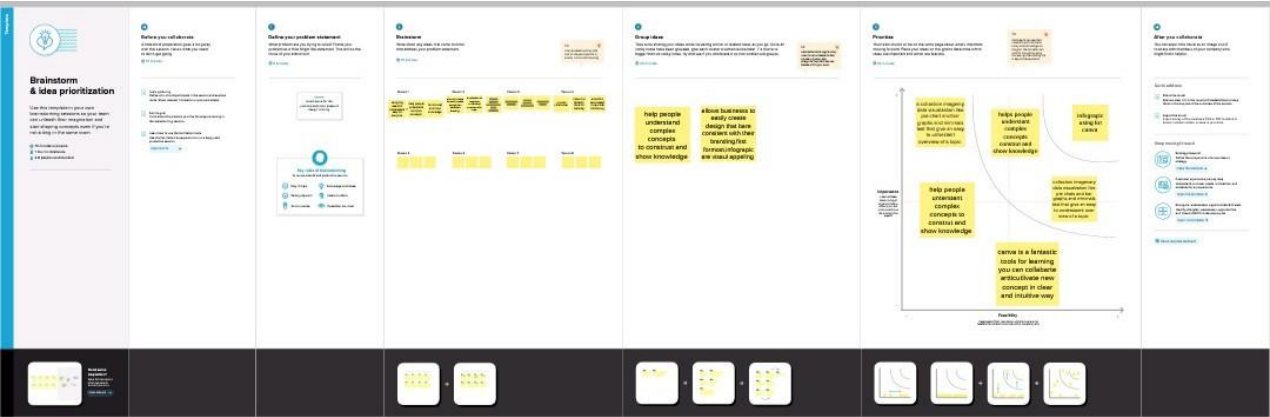

Problem Definition & Design Thinking

An invitation card conveys the overall tone of the event they are invited to. Moreover, when you receive a card for a birthday party or wedding, the event automatically stands out from the rest of the invitations you have received, making it more important than the rest.
